

# DAMILOLA EMMANUEL

Software Developer

**Contacts:** +447361109278 • adebowaledami97@gmail.com • [LinkedIn](#) • [GitHub](#) • [HyperionDev link](#)

## PROFILE

Dynamic and results-driven software developer with a strong foundation in full-stack web development and a proven track record of delivering high-quality software solutions. Experienced in developing and implementing backend features using modern frameworks such as Node.js, Express, and PostgreSQL, as well as building responsive front-end applications with React and Tailwind CSS. Adept at working in cross-functional teams, ensuring secure and scalable software solutions, and committed to continuous learning and professional growth.

## SKILLS

**Technical Skills** - JavaScript, HTML, CSS, React, Node.js, Express, MongoDB, Bootstrap, Tailwind, Bubble.io and C++

**Soft Skills** – Collaboration, Problem-Solving, Communication, Eagerness to learn, Time Management and Organisation

## TECHNICAL EXPERIENCE

**Software Developer** - *Anima People, (PsycSec App)*

July 2024 – Jan 2025

Led backend development for the PsycSec app, a psychometric testing platform, while contributing to frontend components, API integrations, and documentation.

- Developed the PsycSec app MVP using Bubble.io, showcasing the platform to potential investors.
- Designed backend features with Node.js, Fastify, and PostgreSQL, leveraging Prisma ORM for database management.
- Collaborated with cross-functional teams to design and build scalable APIs, ensuring high performance and security.
- Participated in bi-weekly sprints, aligning team efforts to meet project milestones effectively.
- Implemented authentication and authorisation features using JWT and RBAC for secure access control.

## PROJECTS

### Personal Portfolio Website

- Created a portfolio website showcasing completed projects using HTML, CSS, JavaScript, Node.js and Express.js, ensured a seamless user experience and cross-browser compatibility, and implemented version control using Git for project tracking and collaboration. [Project Link](#)

### E-Commerce Dashboard

- Developed the frontend of an E-Commerce Dashboard using React, Tailwind CSS, and Context API for state management. Designed and implemented features for product management, sales analytics visualisation, and order tracking. Ensured a responsive UI and seamless user experience. [Project Link](#)

### Rock-Paper-Scissors Game

- Developed an interactive Rock-Paper-Scissors game using React and Tailwind CSS. The game features user and computer choices, score tracking, and game rules display. [Project Link](#)

## EDUCATION

HyperionDev, Full Stack Web Development Bootcamp (100%)

Mar 2024 – June 2024

De Montfort University Leicester, MSc Mechatronics (Distinction)

Oct 2022 – Nov 2023

Federal Polytechnic Ado -Ekiti, HND Civil Engineering (Upper Credit)

Nov 2014 – Nov 2019

## PROFESSIONAL DEVELOPMENT

- IBM Full-Stack JavaScript Developer by IBM on Coursera | [Certificate](#) February 2025
- Career Essentials in Software Development by Microsoft and LinkedIn | [Certificate](#) June 2024
- Google Project Management (Coursera) | [Certificate](#) September 2023
- Become a C++ Master (Programiz) | [Certificate](#) August 2023
